7th February, Wednesday

Meeting opening – official welcome of the attendees by Mr. Imre Pántya, the head of deputy; general information about the meeting place by Ms. Eva Videovenyecz.

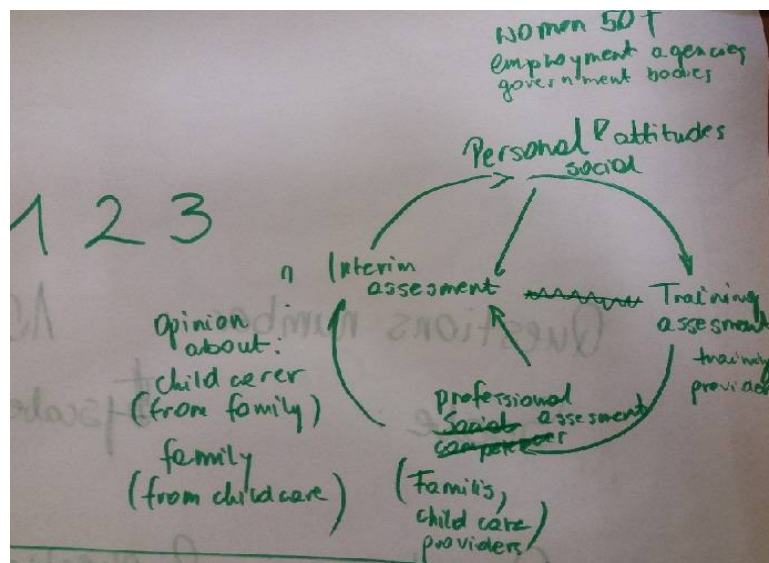

Project review – review of the project schedule and the agenda, summary of the project interim report by the coordinator.

Presentations on tools and test for determine personality attributes and tools and test available in the partner countries for child carer predispositions – presented by all partners, Valia Dankova from Bimec Ltd. joined the meeting via Skype.

Discussion – choosing the **right methods** of determine **to different target groups** (course providers; parents; job centre etc.)

Anna Magiera – Chorąży presented the list of primary (women aged 50+, families, childcare providers, training providers) and secondary (local, regional and national employment agencies and authorities, professionals in the area of employment and job activation, services and organizations dedicated to older people, children and family authorities, government bodies and other organizations) target groups.

As a result of the discussion the partnership created a flow chart based on the proposal of the Italian partner:

Within 2 weeks term Anna Magiera - Chorąży will prepare a draft of the personality tests presented by the partners, which will have to be commented on.

Discussion - choosing the questions for the **self - assessment test**

The partnership agreed that the number of questions of self-assessment test would be 12 with 4 scale answers (2 questions per personal characteristics identified on the 3rd meeting in Kolin). Marzena Wieczorek will prepare a proposal for the questions by the beginning of March.

The partnership will test the developed questionnaire in every partner country with 5 child carers.

Presentation on main modules for the course by Francesca Scocchera, COOS.

Summary of the first meeting day by the coordinator, general information about the organized free time activities and the dinner by the host organization.

8th February, Tuesday

Meeting opening – review of the daily agenda by the coordinator.

Teamwork on Modules

The partners divided the Modules as follows:

Nr of Module	Title of Module	Responsible Organization
M1	Pedagogical approach	M'am'aloca
M2	Communication	ProActivate
M3	Documentation	M'am'aloca
M4	Cognitive and affective Development	COOS
M5	Physical and Psychomotor Development	COOS
M6	Educational Activities and Choice of Materials	Voivodeship Labour Office
M7	Care, Health and Hygiene	Government Office of Békés County
M8	Safety	Government Office of Békés County
M9	Internship	Bimec Ltd.
M10	Disabilities	Optional module, which could be added if necessary.

Every team worked out the subject and content list of their own modules.

Presentation on the subjects list in each of the modules – discussion on the presented list of subjects.

The partners agreed that the number of training hours will be included as an option in the draft.

Handing out certificates - the Dr. Attila Rákóczi, the director-general of the Government Office of Békés County handed out the certificates for each participant.

Creating the draft form for the external evaluation - discussion on the evaluation
The Government Office of Békés County prepared a draft for the external evaluation. The partnership accepted the draft with minor modifications. The evaluation questionnaire will be finalized based on the proposal by the middle of March.

Discussion (plan for next meeting; organizational issues; meeting evaluation; deadlines, summing up the meeting)
